INVITATION LETTER TO Dr. Stavros Alexandris, associate professor

The purpose of this letter is to invite Dr. Stavros Alexandris, associate professor to have his presence as a lecturer on the international Master study course within the module Principles of Agricultural Water Management, that will be held during February 24-27, 2020 at the Faculty of Agriculture, University of Belgrade. The title of the presentation is: "Spatial measurements by Infrared Temperature sensor and Crop Water Stress Index estimation" in the context of the Project: "GreenWaterDrone" (Development and Implementation of an Innovative and Economical System for Precise & Dynamic Irrigation Programming and Crop Surveillance).

Moreover, Prof. Alexandris is invited to present his achievement in his ongoing scientific research, on the use of modern technologies and tools/sensors in precise irrigation programming.

Thank you in advance for your understanding and collaborations.

With the best regards,

Chief of the Chair of Soil and
Water Management

Prof. Dr. Ružica Stričević
